NOTICE OF PROPOSED RULE MAKING

Adopted: December 20, 1996

Released: December 27, 1996

Comment Date: February 18, 1997

Reply Date: March 5, 1997

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Mid-Minnesota Broadcasting Company ("Mid-Minnesota"), proposing the allotment of Channel 231A to Mankato, Minnesota, as that community's third FM broadcast service.¹ Mid-Minnesota submitted information in support of the proposal and stated its intention to file an application for Channel 231A if the channel is allotted to Mankato.

2. We believe Mid-Minnesota's proposal warrants consideration. A staff analysis has determined that Channel 231A can be allotted to Mankato, Minnesota, in compliance with the minimum distance separation requirements of the Commission's Rules without a site restriction.² The 1995 edition of the Rand McNally Commercial Atlas indicates that Mankato is a principal

¹ Petitioner's request was signed and verified by its technical consultant. We are unable to determine from the petition if petitioner's consultant is also a principal of the petitioner. Although a petitioner may seek assistance in the preparation of a pleading or petition for rule making, Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel, be signed and verified by the commenting or petitioning party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rulemaking proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Section 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3911, 3919, n.41 (1990). Petitioner is requested to rectify this omission in its comments.

² The coordinates for Channel 231A at Mankato are 44-10-12 and 94-00-24.

business center and that the 1990 Census credits Mankato with a population of 31,500 people.

3. In view of the fact that the proposed allotment would provide a third local FM broadcast service to the community, the Commission believes it would serve the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:³

Community	Channel No.	
	Present	Proposed
Mankato, Minnesota	256C1, 278C1	231A, 256C1, 278C1

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **February 18, 1997**, and reply comments on or before **March 5, 1997**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been

³ Although Mid-Minnesota indicates that Channels 244C3, 256C1 and 278C1 are allotted to Mankato, we find that Channel 244C3 is allotted to the community of North Mankato rather than Mankato. Therefore, Channel 231A could be the third FM broadcast service allotted to Mankato.

decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement.
